3 Recommended Website and Resources

Here are some resources that you can get it for **FREE**.

Bloggers Network Directory

[BlogCatalog](#) – one of the best Social Networking blog that you may consider to join it. As a member of BlogCatalog, you can make as many friends as you want. It could drive traffic almost instantly to your blog and some visitor may visiting your blog to see what you have wrote and add you as a friends as well. To those who have added you as a friend, you can send broadcasts messages to all users who have added you to their BlogCatalog. You can also participate in forum discussion. There are many active groups where you can easily join them and become an active member. You could get more subscriber to your RSS feed when the visitor drop by you site.

[BloggingZoom](#) – is quite new but it's growing fast. You can promote on BloggingZoom with all your articles without any restrictions. You can also vote for other articles and many users will vote for you too. The more votes you get, the more exposure for your blog site. The increase in blog popularity, the more visitor visit to your site as well.

[StumbleUpon](#) – one of the best sources of traffics you could receive by submitting your unique articles to StumbleUpon. The traffic is pretty good. You should sign up with StumbleUpon if you need more traffic to your site.

[LinkReferral](#) – When Joining LinkReferral, you will include in the members directory which is visited by over 150,000 members and thousands of outside visitor on a daily basis. You will have an opportunity to gain a ranking at the top of your category. You need to visit approximate 30 sites and make at least 5 reviews within 24 hour. You can give comment and feedback from the visitors of you website and give some opinion on others member site in the directory. The number of participation will determine the number of traffics you will get. The more you get involve, the more traffics you will get.

Forum Directory

If you do not wish to pay for Pay-Per-Click Advertisement cost, you could promote your site at forums directory. Most of the forum provides you with Signature. You can add your URL to your signature. Below are some forum sites that you should join:

[Digital Point Forums](#) – one of the famous and most active forums for webmaster. There are many topics you can discuss like Internet Marketing Tips, Search Engine Optimization, Link Development, Pay-Per-Click Advertising, Affiliate Programs, Business etc. It has almost everything you need for your online business. I encourage you join this forum and read all the marketing tips available in this forum.

[Bloggeries Forums](#) – This is one of the high ranking directory where you can submit your site and build your ranking for free. This forum has a great environment where you can meet with a lot of friendly people around the world.

[Blogger Forums](#) – is another good bloggers site. You can meet people around the world and discuss of the topic you have the same common interest with them. There are plenty of people willing to help you for any sort of question you ask for.

AuthorityBlogger Forum

[Authority Forums](#) – This is a very simple bloggers forum. You could easily find the common interest topic out there. Meet with friends and it is a good site that you can meet real visitors and them implement stricter rules to prevent for any spammer in this forum. You are safe to post your topics and many helpers will reply your post as well.

WARNINGS:
